

1008-GU/1010-GU Series

1008/1010

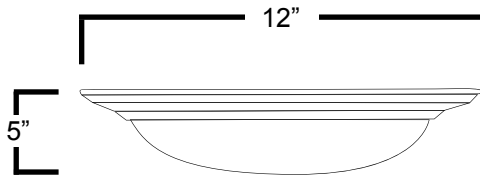

The specialty of the 1008 and 1010 fixtures have a wider base that can aesthetically eliminate empty space of a ceiling. Both the 1008 (12") and the 1010 (15") are fashionable and extremely economically friendly. The fixture comes with a satin nickel trim and an alabaster frosted glass. This interior ceiling fixture can be mounted to any flat surface and is installation friendly, making it perfect for the bedroom, living room and many other residential applications. The 1008 and 1010 fixtures are FCC certified, UL listed and Energy Star certified.
