

2008

2008-GU

The 2008 is a wall mounted fixture that can add style to a living room easily. The Acrylic cell acts to even out the light source and is very durable. This interior wall mount fixture can be mounted to any wall, and it is installation friendly, making it perfect for the living room or any other residential application. The 2008 is FCC certified, UL listed and Energy Star certified.
