

3016

3016-GU

The 3016 series is the latest addition to our residential line. The fixture comes with three artfully suspended bell shaped alabaster glass shades. With its modern design, this fixture will add a touch of contemporary elegance to any residential space. This fixture works in two different ways: Direct Lighting, which will help eliminate shadows in the space; and Indirect Lighting, which is best used when put close to the ceiling for overhead lighting. The 3106 Three-Light Vanity is available in satin nickel and old bronze, and is FCC certified, UL listed and Energy Star certified.
