

5008

5008-GU

The 5008-GU213 is an outdoor usage fixture. Though this fixture is very basic in design, it is a durable product that can hold up in any type of weather. Similar to all of our products, this fixture is energy efficient. This product is ideal for those areas that need maximum lighting, such as the pool, patio, parking space or storage. The 5008-GU213 is FCC certified, UL listed and Energy Star certified.
