

5010

5010-GU

The 5010 is a contemporary outdoor wall-mounted fixture made up of aluminum housing with frosted glass. The frosted glass gives an evenly distributed light output. The decorative strip gives the fixture some flare, while simultaneously acting to strengthen the housing. This outdoor fixture comes with a photo sensor and fits a large variety of applicable locations due to its compact size. The 5010 is FCC certified, UL listed and Energy Star certified.
