

5016

5016-GU

The 5016 series provides a modern style with its elegant geometric framing, which enhances the appearance of any outdoor space. These residential fixture models consist of an Opal Glass, Matte Black body and include two GU-24 energy-saving bulbs. On top of being durable and energy efficient, the 5016 series of fixtures also feature an advanced photo control and Dusk-to-Dawn operation. The 5016 series is FCC certified, UL listed and Energy Star certified.
