

SSL-HBLED SERIES

SSL-HBLED8X22

SSL-HBLED12X22

Product Description

The SSL-HBLED is our new LED High Bay fixture that features both energy efficiency and performance to create an ideal lighting solution for any industrial space. Our LED High Bay provides a 95% reflection through the use of Vega-95 aluminum under every LED panel. Each panel can be removed individually for easy maintenance, and the heavy gauge steel body ensures durability.

Features

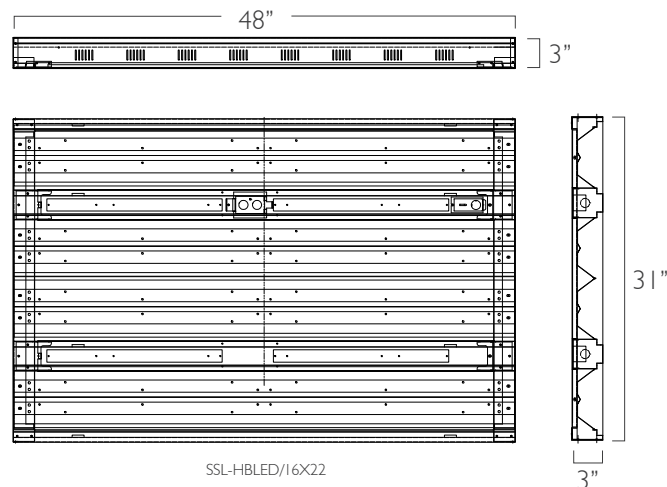

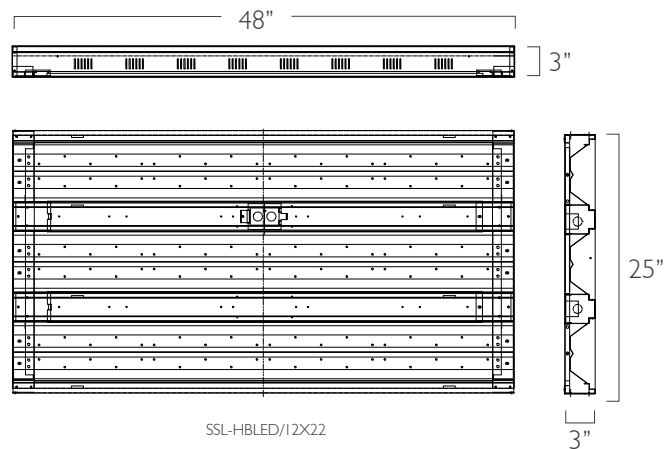

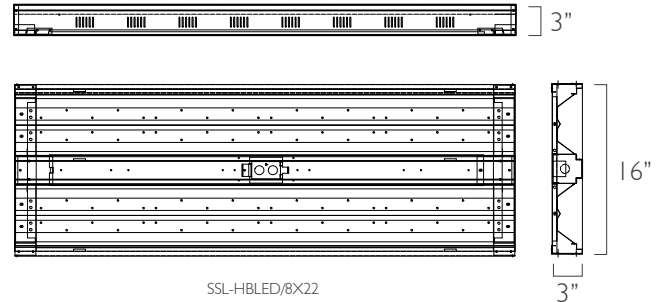

- Die formed 20-Gauge cold-rolled steel housing.
- Vega-95 reflectors.
- Samsung LED Chips.
- 5-year warranty.
- Dimmable driver.

Mounting

Our LED High Bay can be suspended from the ceiling by either AYC or EYE chain, Aircraft cable or it can be mounted on the ceiling directly.

Installation Recommendation Options

- Aisles
- Warehouses
- Industrial
- Commercial
- SSL-SLED
- HB-4T5
- IB-HB-6/T5
- Clear Acrylic Lens Frame
