Product Description

The SUNLED MR16 bulbs are a direct replacement for traditional MR16 Halogen lamps. Our MR16 LED light bulbs can produce as much as light as halogen, while saving 86% of the energy when compared to 35 watt MR16 halogen light bulb. It comes with a built-in heat-sink and a 36 degree optic lens. The LED MR16 bulbs are ETL listed, DLC listed and FCC certified.
