

GC-ME-332

GC-ME-332

Our GC-ME-332 is a modern office fixture that's constructed from 0.8mm thick-cold rolled steel housing to assure extra durability. This fixture comes with dual-point mounting wires, and can be installed in a short period of time. This fixture comes equipped with a high efficiency ballast, reducing energy usage. The GC-ME-332 reflects 85% up-lighting and features 95% reflectance louver for down-lighting. This fixture is ideal for offices, schools, storage rooms and commercial spaces, and the compact design and light weight make for fast and easy installation. The GC-ME-332 is ETL listed and FCC certified.
