

GC-PSC

GC-PSC

Our GC-PSC-232 is a modern office fixture that is constructed from 0.8mm thick-cold rolled steel housing to assure extra durability. This fixture comes equipped with dual-point mounting wires, and can be installed in a short period of time. The GC-PSC-232 comes equipped with a high quality ballast, which effectively reduces energy usage. The GC-PSC-232 will illuminate applied spaces with a soft down-light while evening out up-lighting. This fixture is ideal for offices, schools, storage rooms, or any commercial space. The GC-PSC-232 is ETL listed and FCC certified.
