

GC-PVC

GC-PVC

Our GC-PVC-432 is a modern office fixture that is constructed from 0.8mm thick cold-rolled steel housing to assure extra durability. This fixture is not only energy efficient, but also easy to maintain. The GC-PVC-432 will illuminate any space beautifully while applying a contemporary look. The lamps are also easy to install and remove, with no tools needed. The GC-PVC-432 can be applied in offices, schools, storage rooms or any commercial space that needs direct lighting. The GC-PVC-432 is ETL listed and FCC certified.
