

# STRIP T8

## STRIP T8

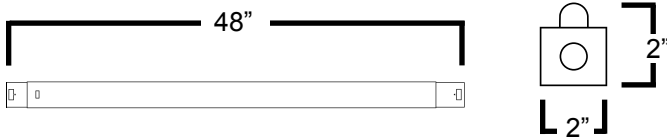

Our STRIP T8 is a Fluorescent Strip light. This fixture is functional and multi-purpose. The STRIP T8 is one of the best options for commercial, industrial, retail and residential applications. It's also one of the best choices for interior design, since it is very easy to hide. We carry options of one (1), two (2) or four (4) lamps T8 for this model. The lamps can be installed and replaced individually. The STRIP T8 is extremely efficient because of its powder coating, secured mounts, steel body and slots for different mounting positions. The STRIP T8 is energy efficient and is UL listed and ETL certified.
