

WRAP

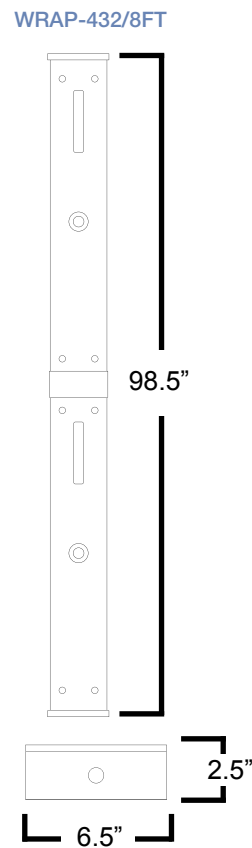

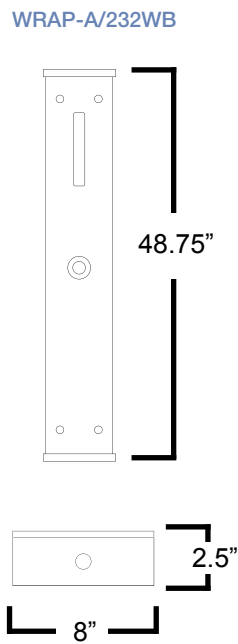

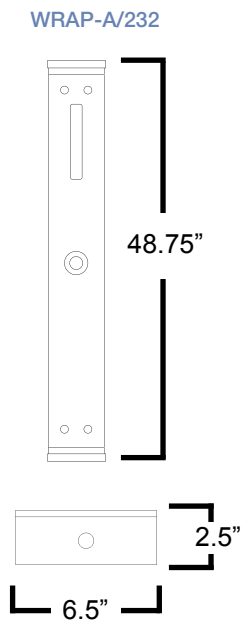

WRAP

The Wrap-Around Lighting Fixture is a great multi-purpose product, appropriate for use in commercial, industrial, retail and residential spaces. The newly designed parts are very secure, and easier to replace than the previous models. We offer a four foot and eight foot model, both of which come equipped with twist-lock sockets, ballasts, and easily replaceable acrylic lenses. This product is built for durability via powder coating, secured mounts, and a steel body. Our Wrap-Around Fixtures are extremely energy efficient, and have different slots for different mounting options. The WRAP is ETL listed and FCC certified.

■ Dimensions
